

# IT'S TIME FOR TURKEY DINNER!

**DIRECTIONS:** The student draws a card and says the target word in a word, phrase, or sentence as appropriate. The object of the game is to collect one each of the four food cards: **CORN**, **TURKEY**, **CRANBERRY SAUCE** and **DESSERT**. Players may collect multiple cards of each dinner item, but if a player draws the **TIME FOR DINNER** card before he/she has all four of the food cards, that player must return the **TIME FOR DINNER** card to the envelope. The winner of the game is the player who has all of the four food cards, selects the **DINNER** card, and announces to all players that it is **TIME FOR DINNER**.
